Tammy,

Well I won't be seeing you next  
year. Unless we run into each other  
at the mall or in Stocomb. (that is  
where I'm always at). You try to stay  
out of trouble. I know that is  
impossible for you. Stay Sweet.

Tommy,  
 Well sorry lady  
 what can I say? I think  
 your very sweet (at least to me).  
 I'm glad we became friends this year.  
 I can't believe I'm about to grad. I'm really  
 going to miss seeing you next year. I've brightened  
 my day more than once. I thank you for your friendship  
 but most of all for being yourself. Good luck in the future  
 May God Bless (he all ready has) Love Always

# WE HAVE IT ALL!

Here at CHS we have it all! Throughout the years we have maintained a tradition of excellence ranging from our sports program to our academic achievements. We have amassed three consecutive baseball championships along with the elusive football state title. In academics, our scholars bowl took the area and district titles while finishing an impressive third in the state. We also boast an award winning band directed by drum major Jamie Tindell. Along with all of this we take pride in hosting Lars Anderson, a foreign exchange student from Denmark.

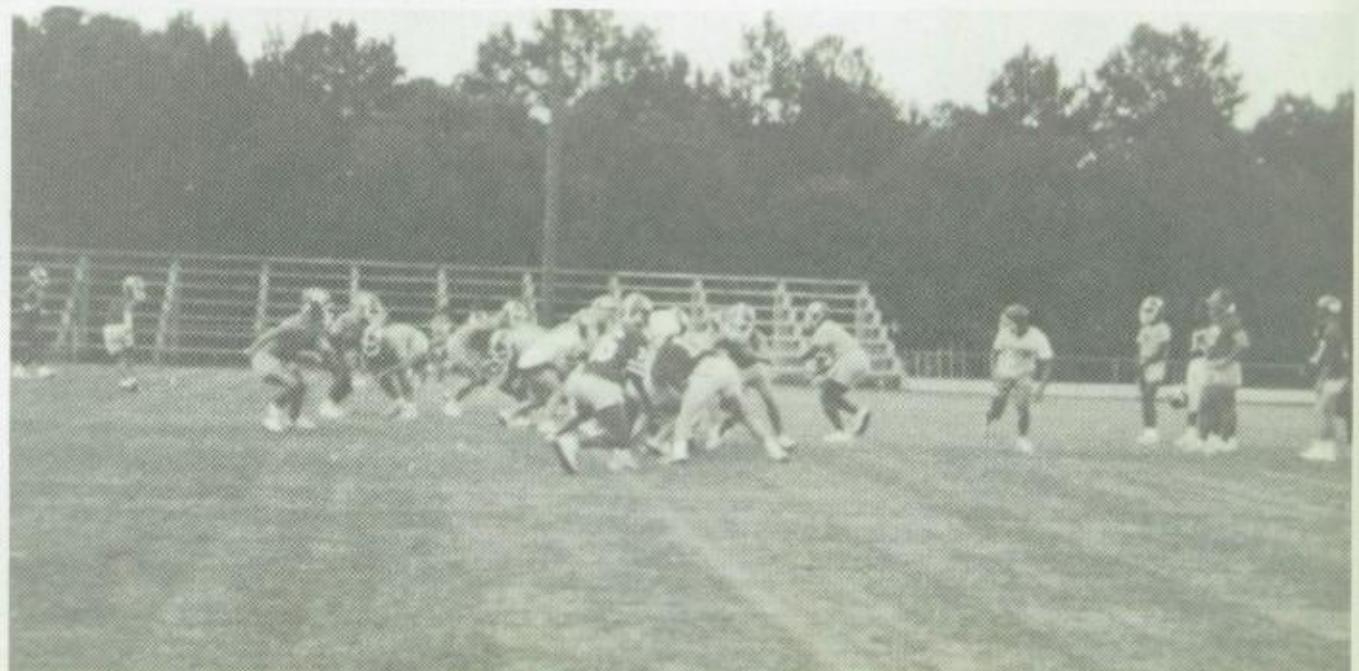

Top Left, Ben Mercer, our next Avon Lady? Top Right, A hug a day keeps the doctor away. Center, Senior football players show that winning pride! Above, It's not locker time yet Lars.

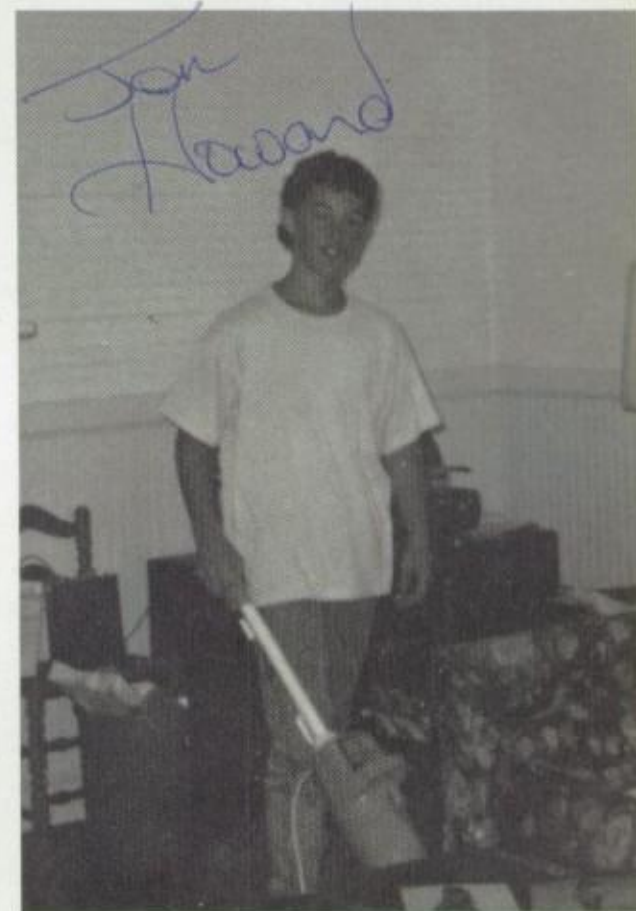

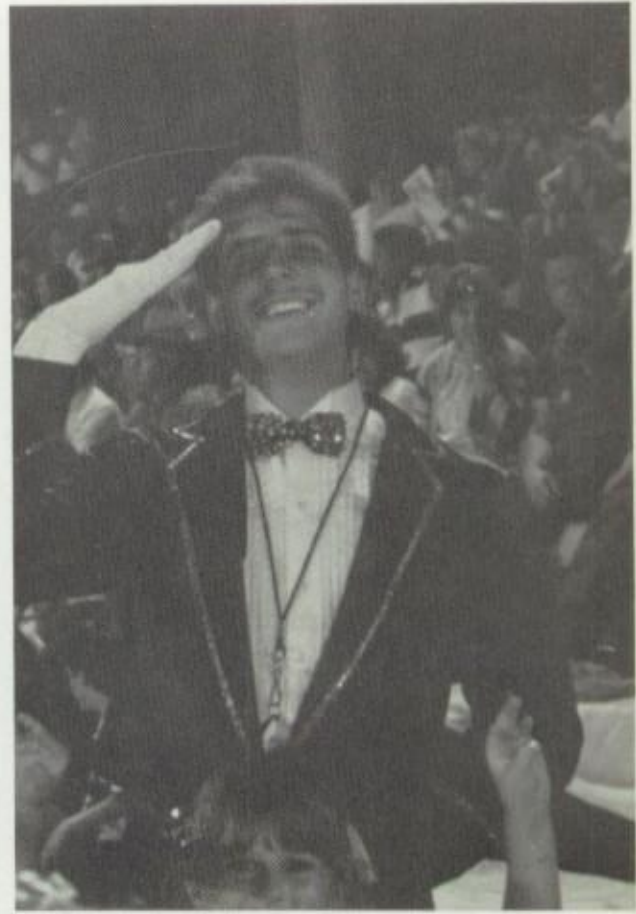

# MAKING IT HAPPEN . . .

Making it happen at CHS takes hard work and dedication from everyone. Our student body is making it happen every day taking on various tasks around the campus. Above, it seems that Lee Rhodes has mastered the skill of welding in Ag 4. Top right, Felicia Ward and Wynoka Caine get in last minute studying for that "killer" test. Middle left, Isn't that illegal in Alabama? Middle right, these girls couldn't take sewing any more seriously. Bottom, practice is the heart of any championship team. Opposite page; top, Our yearbook staff puts in many long hours to prepare pages, write copy, select photos, and meet deadlines. Top right, Jamie Tindell is making it happen with the CHS Band. Middle, Jon Howard, our future Mr. Mom. Bottom, These Home Ec 3 students seem to know all the right ingredients. Bottom right, Coach McCain paces the sidelines anticipating another Bear win.

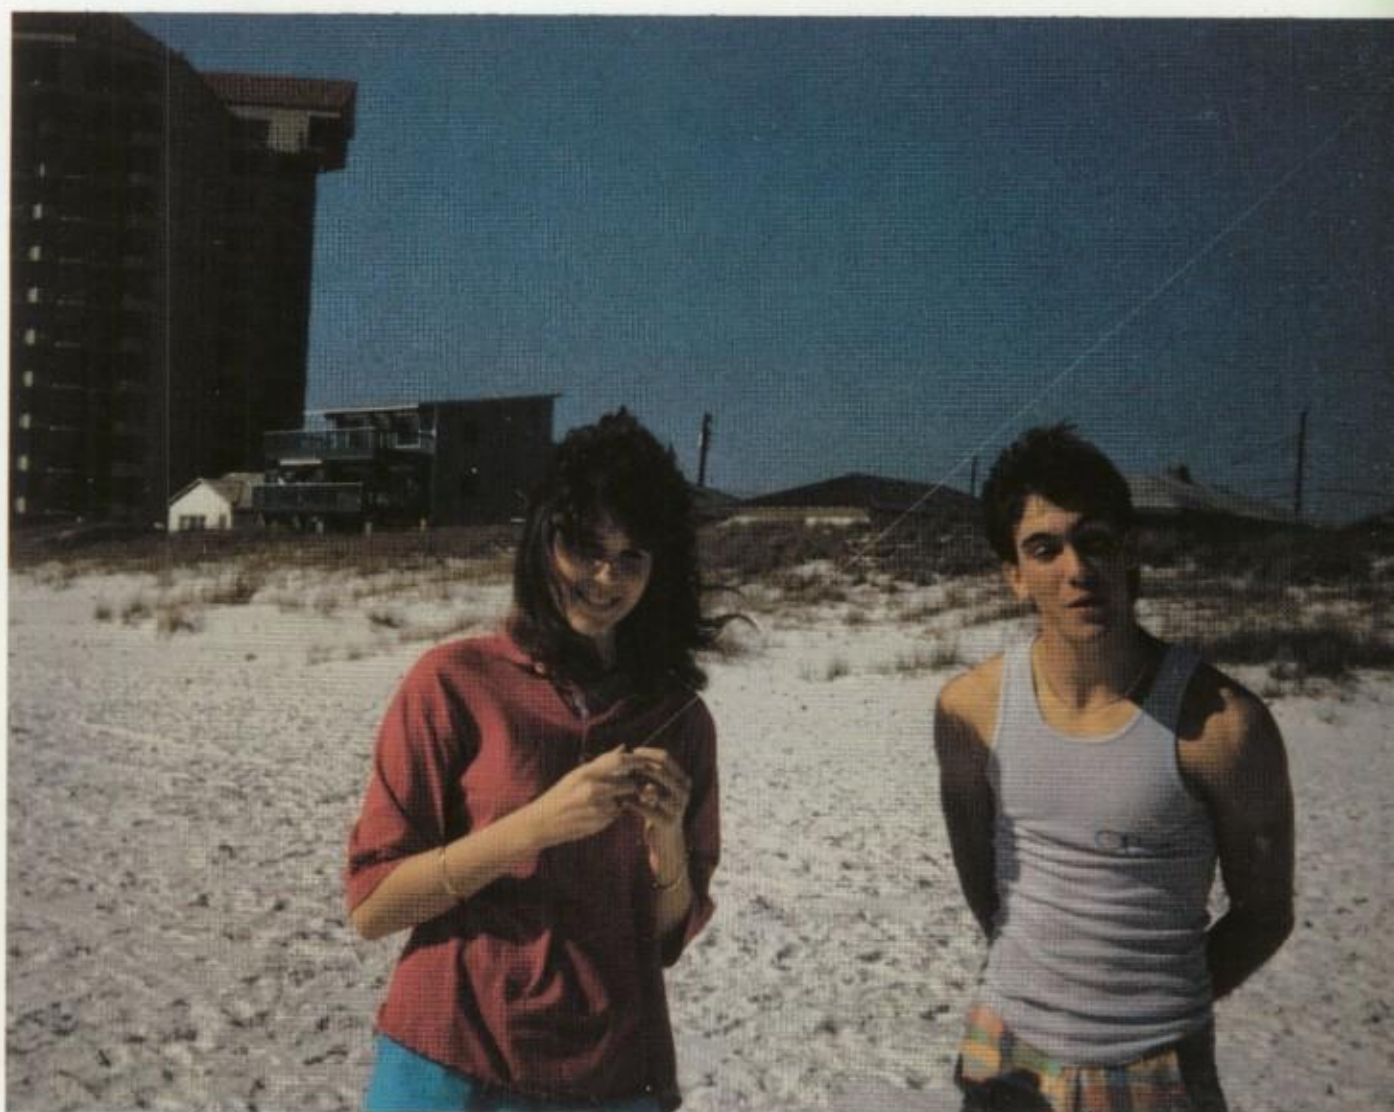

... **TOGETHER**

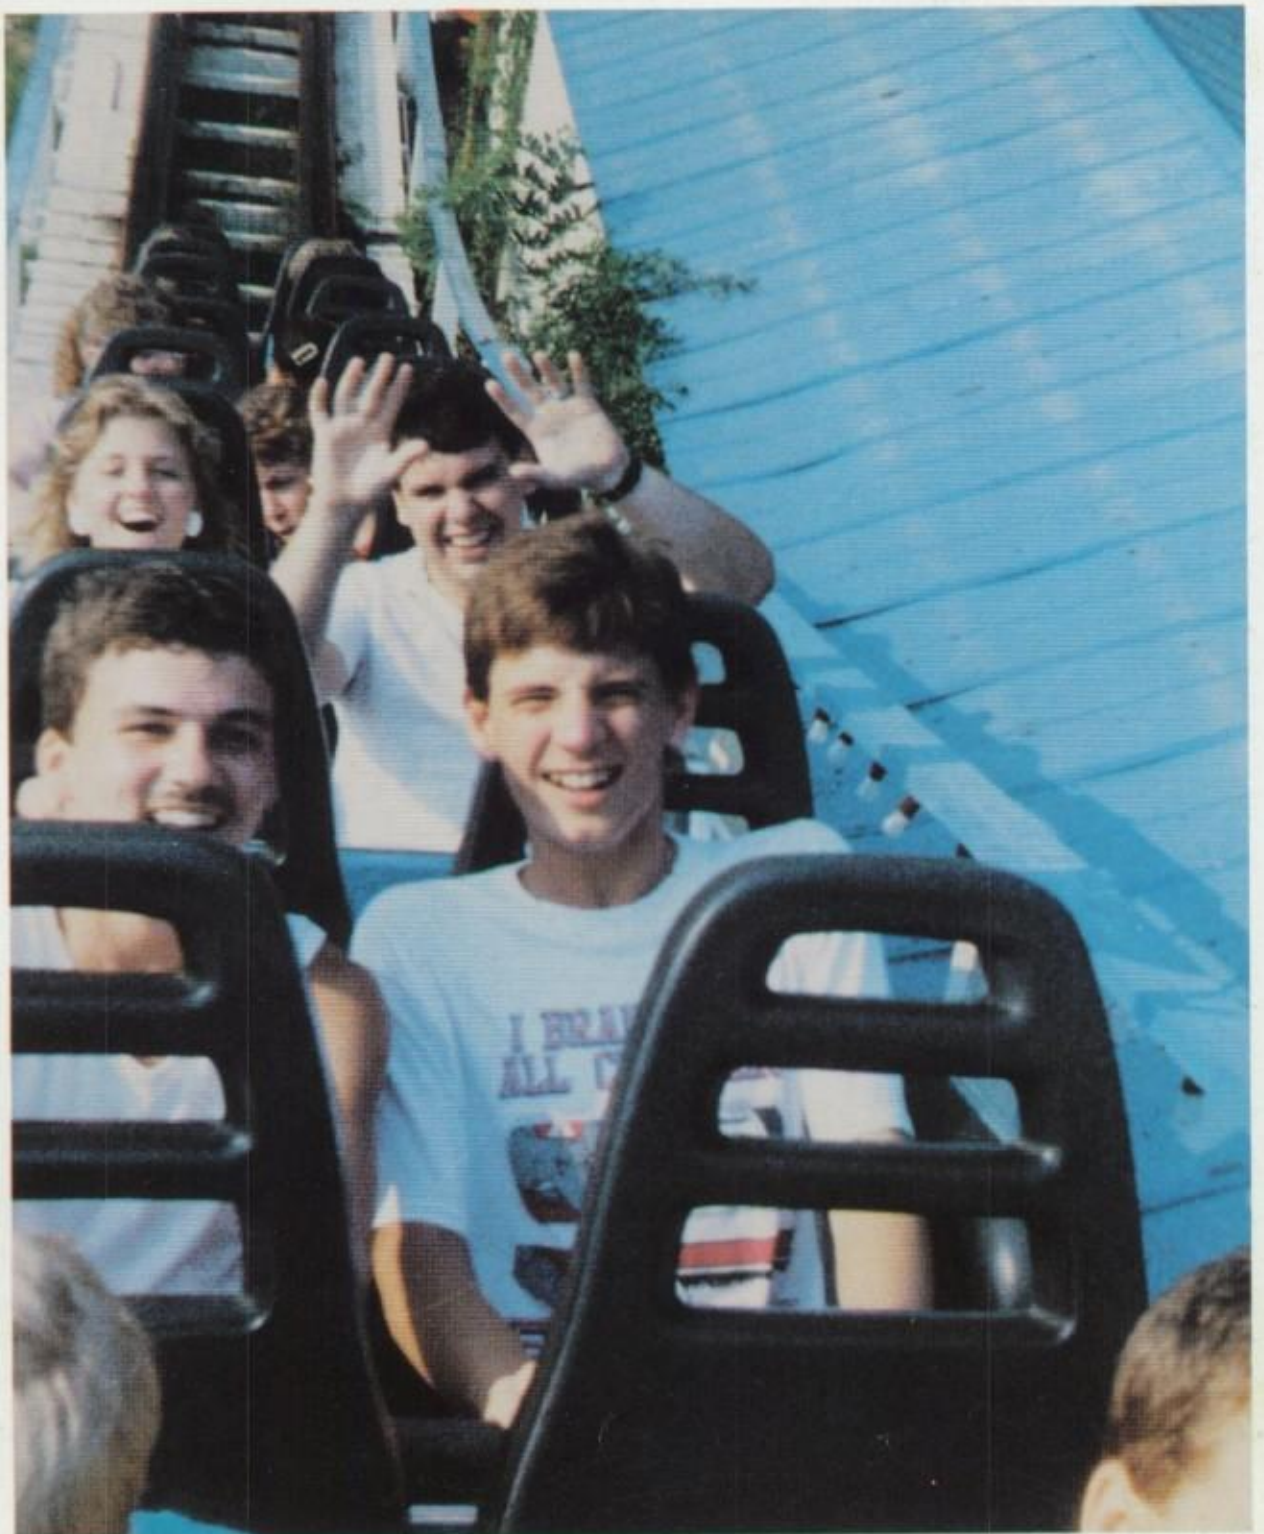

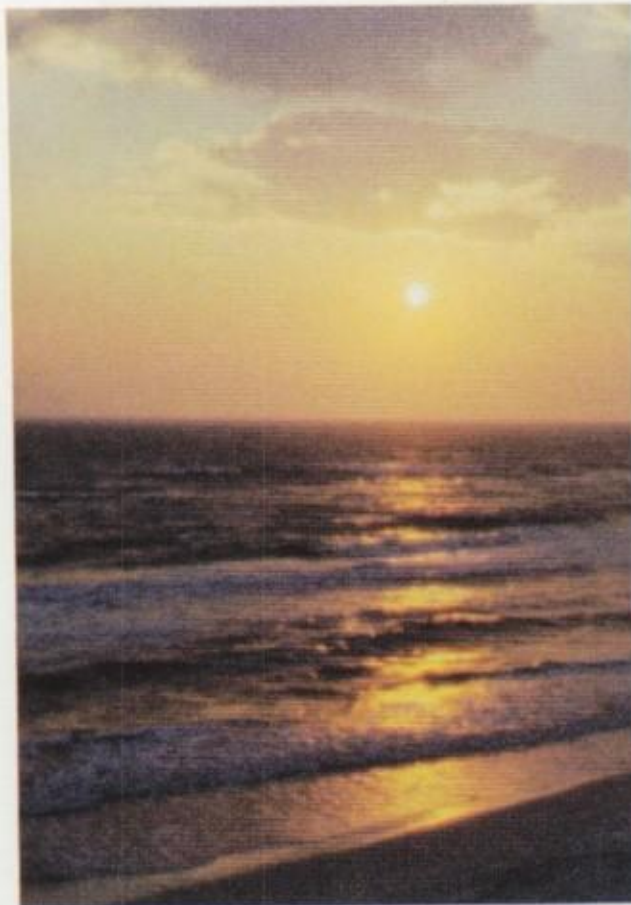

When school is out everyone goes their separate ways. Students at CHS always find time to get together. Included in this highlight to summer '87 are trips to Six Flags, New York, New Orleans, and PC Beach. Right, Carla and Steve enjoy some fun in the sun. Below, Kim poses with Lady Liberty. Middle Right, Kim, Gigi, Laurie, and Cindy enjoyed a trip to Six Flags. Bottom Left, Stephanie takes a stroll down Bourbon Street. Bottom Right, Tammy and Amanda were a part of the Azalea Trail. Opposite page; top left, Joe Paul takes a quick snooze. Top Middle, Panama City Beach. Top Right, Hollie and Chad, our next Future Masters? Middle, Delaina wins awards at summer camp. Bottom Left, Alberta and Velisa. Bottom Right, killer coaster.

# GOOD CITIZENSHIP SHAWN GILLIS

One of the greatest honors that a senior can achieve is that of Good Citizenship. Three students are chosen by the senior class. From these three students, the faculty selects the one student that they feel has given some of their time and energy for the betterment of the school. They look for someone who exemplifies the qualities of honesty and integrity, and who willingly gives of their time and talents in helping out in their school and community. The student honored for this award this year 1987-1988 is SHAWN GILLIS.

October 19 through 23: Homecoming Week! Events for each day were planned to get everyone excited about the "Big Game" on Friday night. There was a door contest for homerooms, which revolved around book titles. Mon. was 50's Day, Tue. was College Day, Wed. was Stuffed Animal Day, Thurs. was Crazy Day, and Fri. was Spirit Day and barbeque delivery. Friday afternoon the Homecoming Parade marched through downtown Cottonwood. At exactly 7:00 P.M., on Hick's Field, the CHS Band began their pre-game show to crown this year's queen and recognize our senior athletes and band members. After that, the invocation was given and the game began. The result: "Cottonwood Bears DESTROY the Wicksburg Panthers: 48-0!"

# TEACHER DEDICATION

## GUSSIE COCHRAN

Ms. Gussie Cochran, Cottonwood's physical education teacher has been an instrumental part of female sports here at CHS. She has coached the girls volleyball team for several years. She attended college at Alabama State where she received her Bachelor of Science degree and went on to receive her Masters at Troy State University. She has taught for 33 years in Houston County.

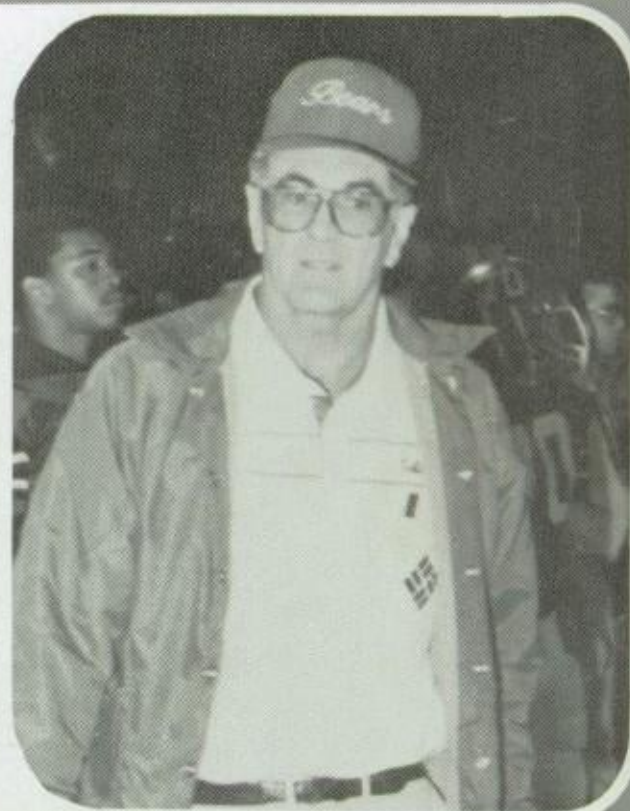

## ROSANNA NEAL

She always seems to have a cheerful smile on her face. Mrs. Neal, our high school special education teacher, brings a welcomed glow to CHS. She has taught various subjects at Cottonwood for the past 16 years. She attended Alabama A & M and received her bachelors degree and later attended Alabama State to complete her studies.

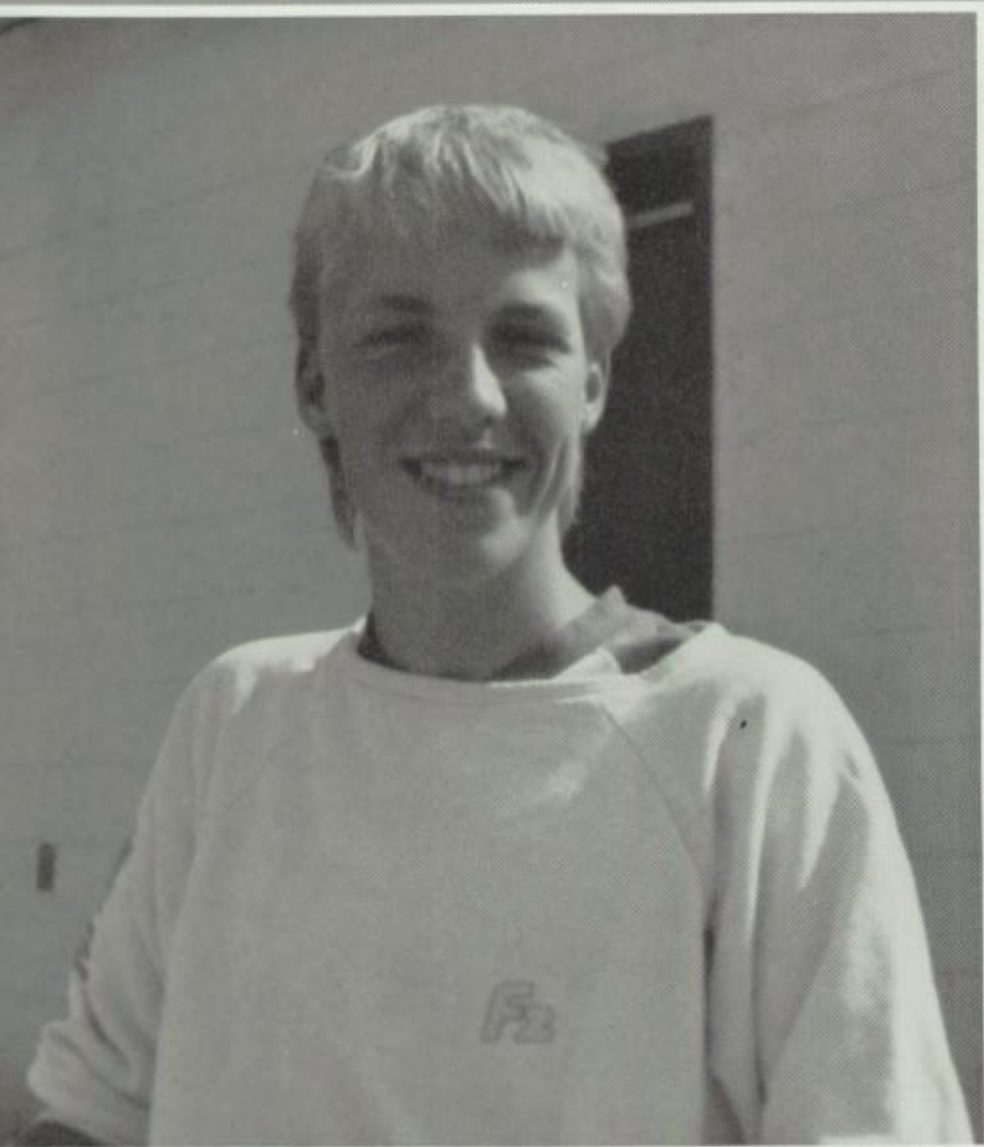

## CHARLES NELSON

Cowboy boots and western shirts are what he prefers. Coach Nelson has been a key asset to the success of our football program at CHS. As well as coaching he teaches subjects such as chemistry, physical science and math. He attended Troy State University where he received his BS and MS degrees. He has taught school for 25 years. In his spare time you will most likely find him on his farm.

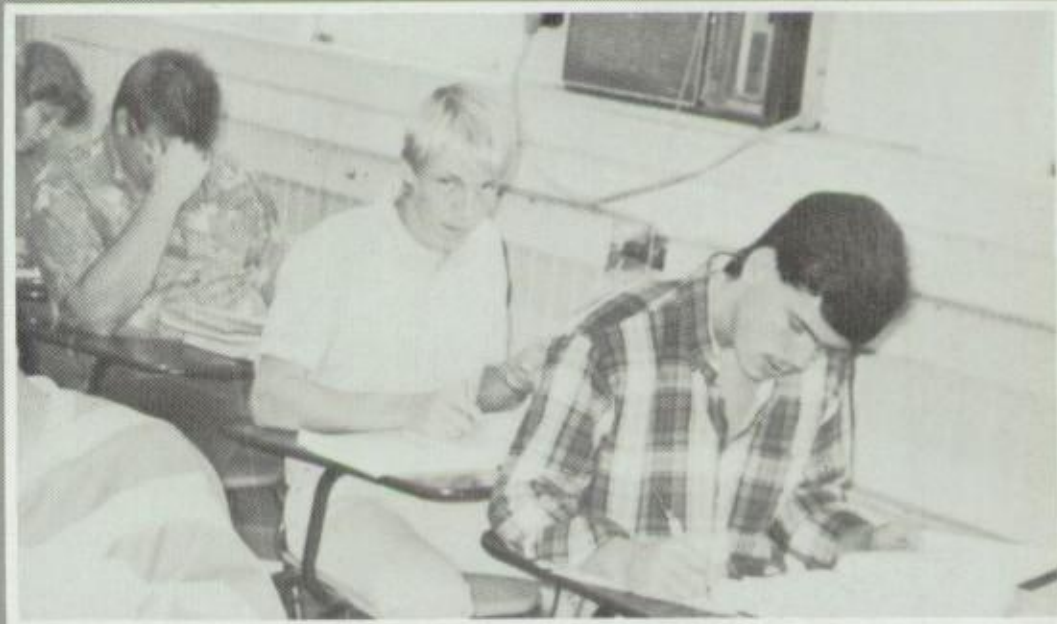

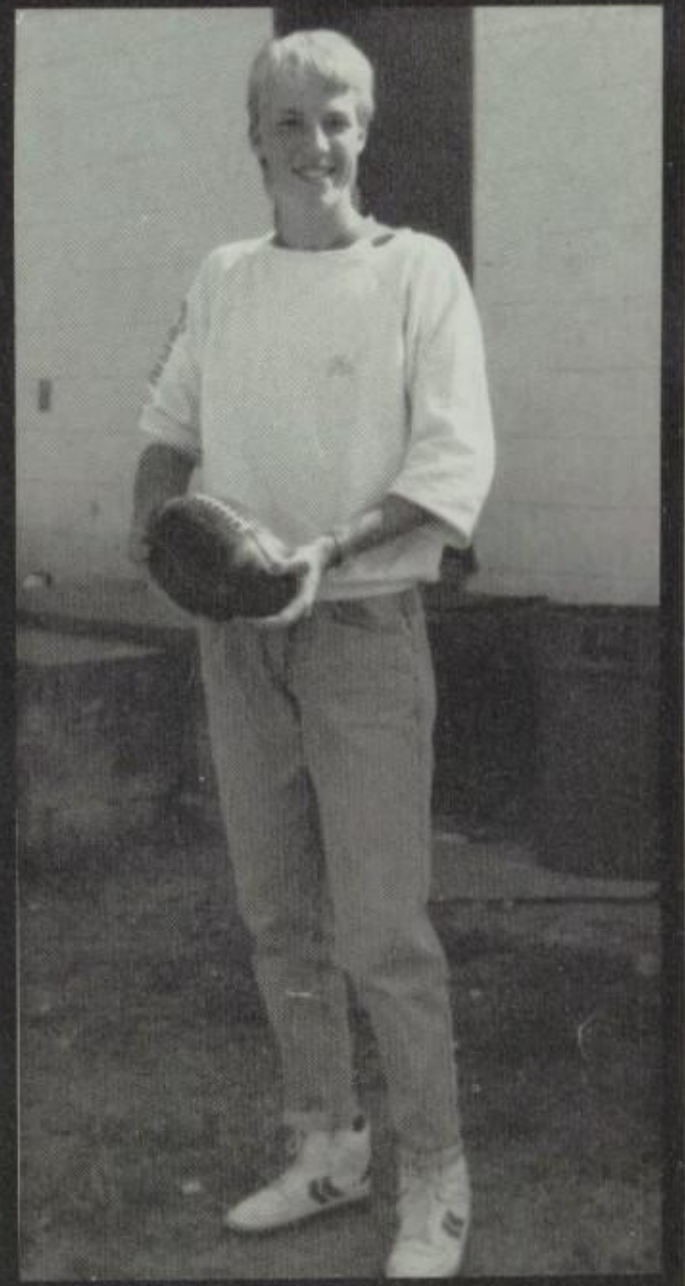

# LARS ANDERSON

*Jeg er en glad  
undslænding i ...  
"Det Store Land."*

This year Cottonwood High School was fortunate to host an exchange student from Horning, Denmark, Lars Pertou Anderson. Lars has not only adjusted to life here in Cottonwood but has become an active part of our 1987-88 football and baseball teams. Lars has only one brother, Claus Anderson, who is no stranger to CHS — he attended Cottonwood in 1983-84 as our first exchange student. Lars' daily schedule consist of chemistry, advanced math, driver's education, English, government, and he finishes off the day with varsity athletics. Some of Lars' hobbies include sailing, wind-surfing, and snow skiing. Some new pastimes Lars has picked up here in Cottonwood would definitely have to be football, baseball, and basketball. Lars plans to play basketball with a local church group.

# TEAM LEADERS

The Cottonwood Bears finished another very successful year in football. The team finished with a 12-1 record (which included a 27 game winning streak). This team, thought of by many as a destined mediocre team easily surprised the critics with their first win over mighty Geneva. They continued the tradition of winning — one that Cottonwood knows well.

# AND THE BEARS ROLLED ON!

## CHS vs Geneva

Friday, Aug. 28 marked the beginning of 1987 Cottonwood football. Billed as one of the top match-ups of the year between the number-one ranked Cottonwood Bears and the number-two ranked Geneva Panthers, this game proved to be nothing of the sort. The powerful Bears dominated the field and cruised to a 27-0 victory. The visiting Panthers were simply out manned and out gunned. The defense shut the Panthers down, while the Bear offense rolled up the yards. Final score 27-0.

## CHS vs Dale County

The first Friday night in September saw the Cottonwood Bears take a convincing 34-0 win over the Dale County Warriors which improved their record to 2 and 0. The Warriors could never get anything started against a stingy Bear defense that posted its second shut-out of the year. Offensively, the Bears were never stopped and scored almost at will. The Bears were just short of awesome in taking their 34-0 win. The Warriors were a very worthy opponent but, the Bears roll on!

## CHS vs Abbeville

The Bears took their 3rd win of the season by whipping the Abbeville Yellow Jackets. The Bears took a convincing 20-0 led into the lockerroom at the half and coasted through the rest of the game for the victory. Cottonwood scored once more on their first possession of the second half and from that time, the starters got little playing time. Final score 27-12.

## CHS vs Geneva Co.

The Geneva County Bulldogs fell Victim to the Cottonwood Bears in the fourth week of the young season 39-0. The stingy Bear defense rose to the occasion each time the Bulldogs threatened and recorded their 3rd shut-out of the year. The offense ripped through the Dog defense for 21 first half points. Cottonwood scored 18 more second-half points enroute to their final margin of a 39-0 victory. And the Bears roll on!

## CHS vs Headland

Cottonwood cruised by the Headland Rams 28-14 to take their fifth win of the season. The score was knotted 7-7 at the half. The second half turned out to be a different story all together. The third period saw the Bears score the first three times they touched the ball and take a commanding 28-7 lead. The Rams scored once more in the game to make the final score 28-14, and the Bears roll!

## CHS vs Slocumb

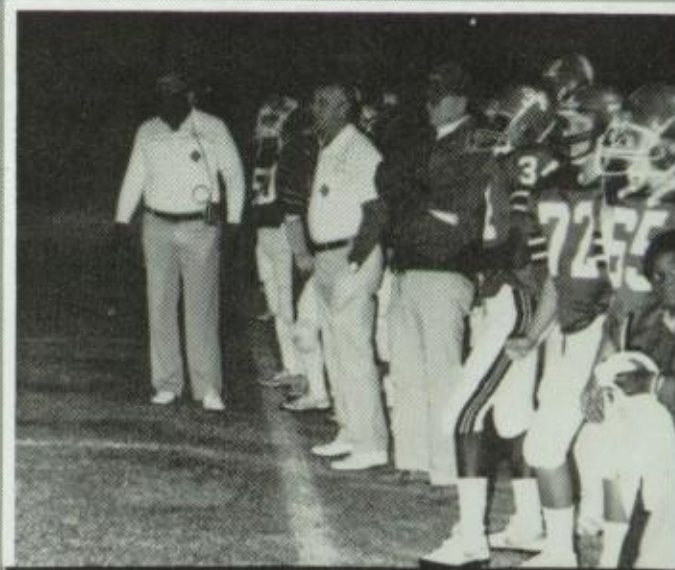

The Cottonwood Bears steam rolled the hapless Slocumb Red Tops 33-3 in Cottonwood Friday night. On this first Friday in October. The Bears would not be denied their sixth straight victory of the season, extending the the winning streak to 21 games straight. Although the Red Tops were the first to put points on the board, the Bears held them to only three points while rolling up 33 of its own points. And the Bears roll on!!

## CHS vs Ashford

During week seven of the season the Bears faced their fiercest rival, the Ashford Yellow Jackets. Ashford was in a losing slump and would continue to slump after this game was over. Cottonwood would rack up its seventh straight win of the year extending the streak to 22 straight.

## CHS vs Rehobeth

We meet again. The Cottonwood Bears whipped the rivaled Rehobeth Rebels 41-22 in Rehobeth on Friday night. From the opening kick-off the Bears pounded out 6 points on the second play of the game, and never looked back. After 6 more TD's the Bears called it a night finishing with 41 hard fought points on the board. The defense yielded 22 points closing out the game with a dominating score of 41-22. And the Bears roll on!

### CHS vs Wicksburg

The Cottonwood Bears celebrated their homecoming with a 48-0 trouncing of the Wicksburg Panthers. After a slow start seeing neither team score in the first quarter, the Bears erupted for twenty one second quarter points to go into the locker room at the half leading 21-0. The Bears started things quickly in the third frame, taking the opening kick-off and marching 67 yards for 6 points and extending their lead to 28-0. The Bears scored three more times before the final gun sounded to take their final margin of victory of 48-0. But make no mistake about it, the Panthers came ready to play. Although severely out-manned, they exemplified a never say die attitude and certainly never quit. Cottonwood took their 24th game in a row and their ninth of the season, and the Bears roll!!

### CHS vs Houston County

The Bears chalked up their tenth win in as many outings to take a hard-fought 27-21 victory over the Houston County Lions. The Lions struck first midway through the first quarter, but the Bears came right back with 7 points of their own to tie the game. A blocked punt led to Cottonwood's next score and the Bears went into the locker room at halftime with a 14-7 lead. The Bears were never to look back from there and came away with a 27-21 victory that sealed up the Wiregrass Athletic Conference Crown, and the Bears roll on!!

### CHS vs Geneva County

The Bears demolished the Geneva County Bulldogs 41-3 at Hick's Field in first round play-off action. Not wanting to waste any time, the Bears scored on their 1st play from scrimmage and commanded 21-0 at the half. Cottonwood started off the second half on the same note by scoring 20 more points and allowing the Bulldogs to tally only 3 points of their own. Cottonwood Advanced to 2nd round action with the 41-3 win. And the Bears roll on!!

### CHS vs Holtville

The Cottonwood Bears mauled the Holtville Bulldogs 41-12 to advance to the quarter final round of the AHSAA state play-offs. The visiting Bulldogs didn't seem to be much of a match for the confident CHS Bears. This victory rolled up an impressive 12-0 record on the year and an untouchable 27-0 record for two consecutive seasons. The half time lead stood at 22-0, but the Bears didn't stop there. They came growling out from half time to rack up 19 more points, yeilding Holtville to a mere 12. Final score 41-12. And the Bears roll!!

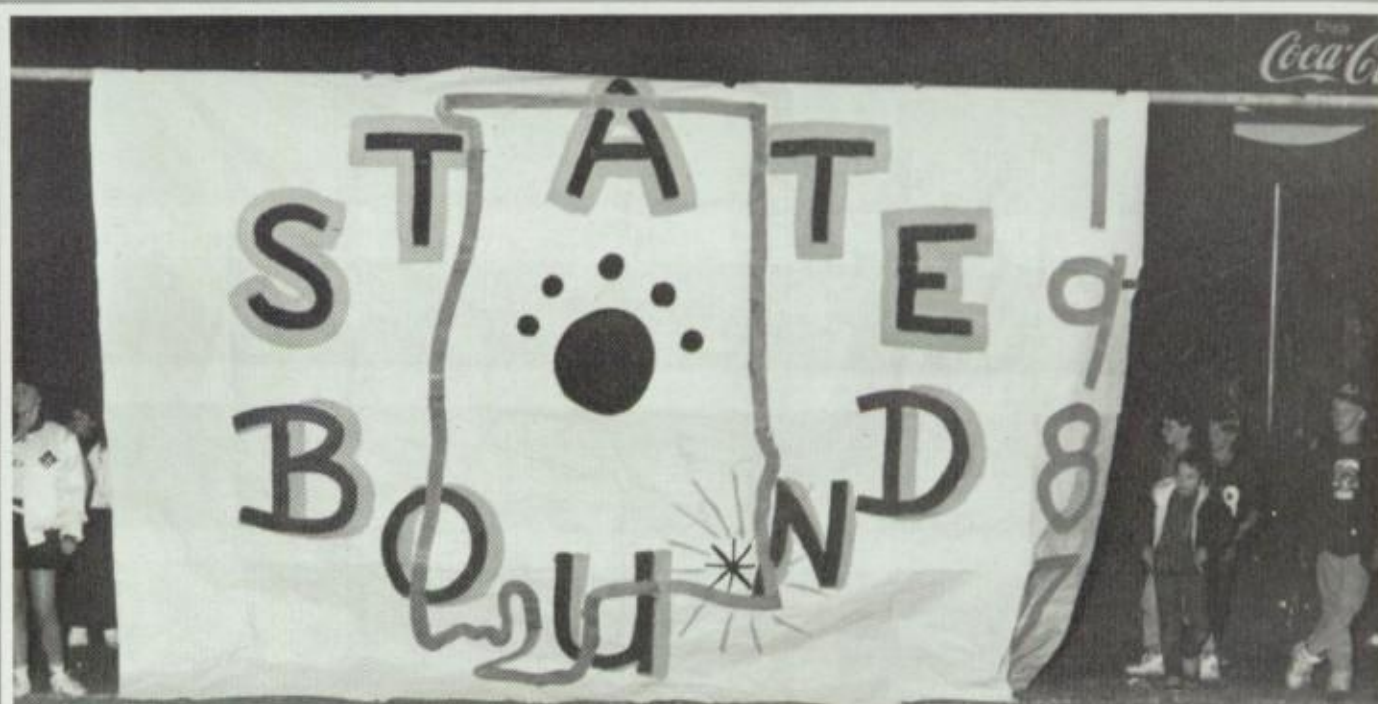

### CHS vs Reeltown

Cottonwood's dream of two straight state championships was brought to an abrupt halt in a 27-7 loss to the Reeltown Rebels. The Rebels used a brand of ball-control offense that ate the scoreboard clock up by huge pieces, and jumped out to a 10-0 lead before the Bears could finally hit paydirt. Going into half-time, the Bears had finally captured the momentum and were only down 10-7. That momentum wasn't to last long, though. Reeltown received the opening kick-off and proceeded to eat 7 minutes off the clock and extended their lead to 17-7. The Bears only held the ball for 12 plays and fumbled away any opportunities that they did have. As the final gun sounded, the Bears had dropped a heart-breaking 27-7 loss. But to give credit where credit is due, Cottonwood was a team that never gave up. Rather than lay down and quit, the Bears fought ferociously for 4 quarters without ever a thought of defeat until the final snap of the ball. The Cottonwood Bears were a team of over-achievers who many thought would do well to win half their games. This season is realy an attribute to the hard work and dedication this team has given.

Cottonwood's tradition of excellence is exemplified by its baseball team. The Bears have been dominating the sport for the past three years, compiling a 55-2 record and winning 3 consecutive state titles. This year, the Bears have added to the winning tradition by going 18-0, bringing their current winning streak to 40 games. The Bears have combined a successful combination of hitting, pitching, and fielding which is essential to the success of any team.

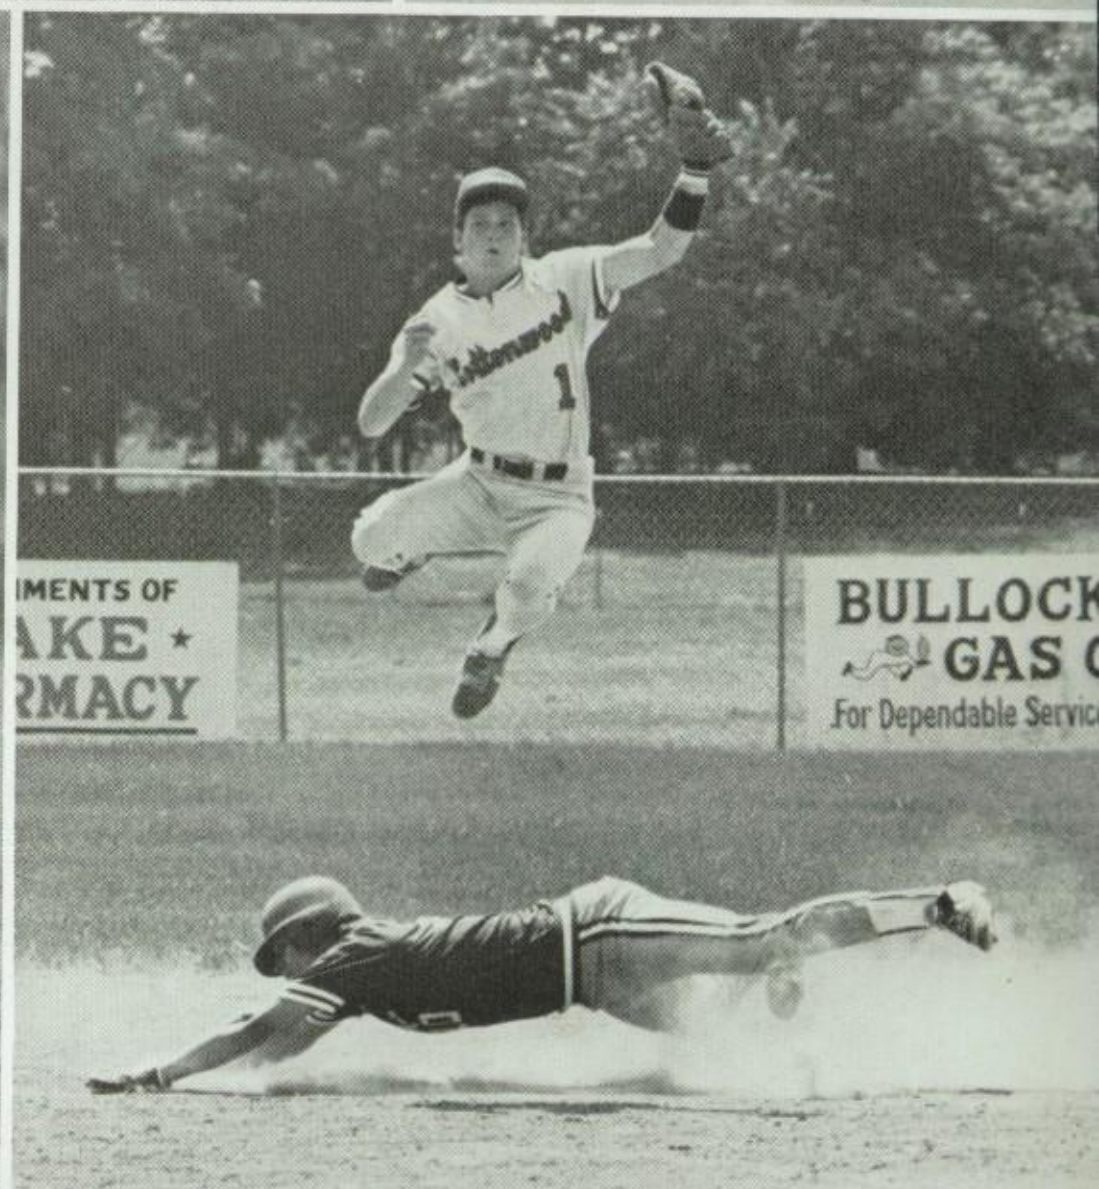

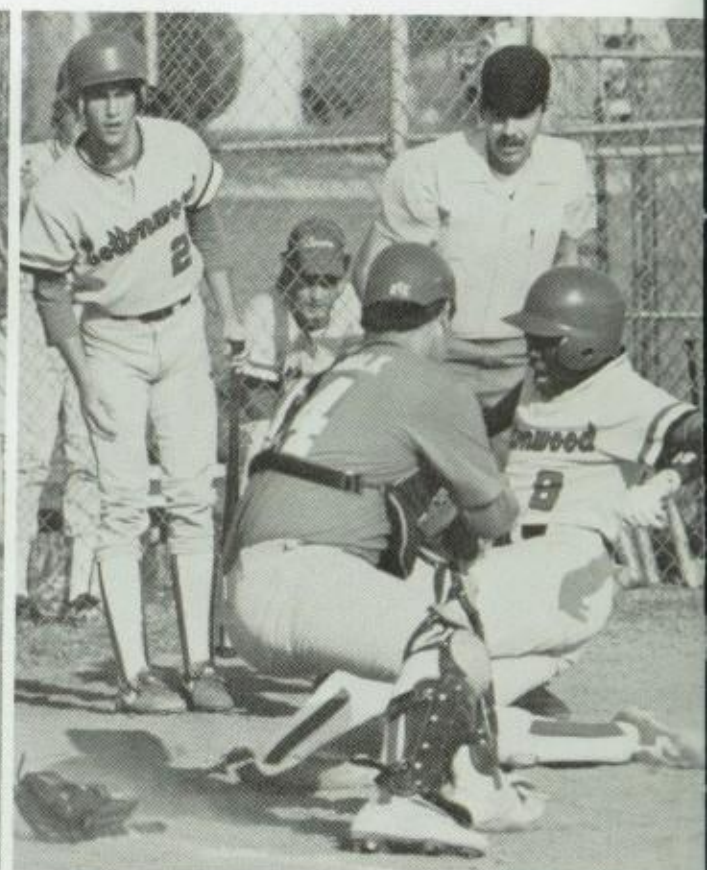

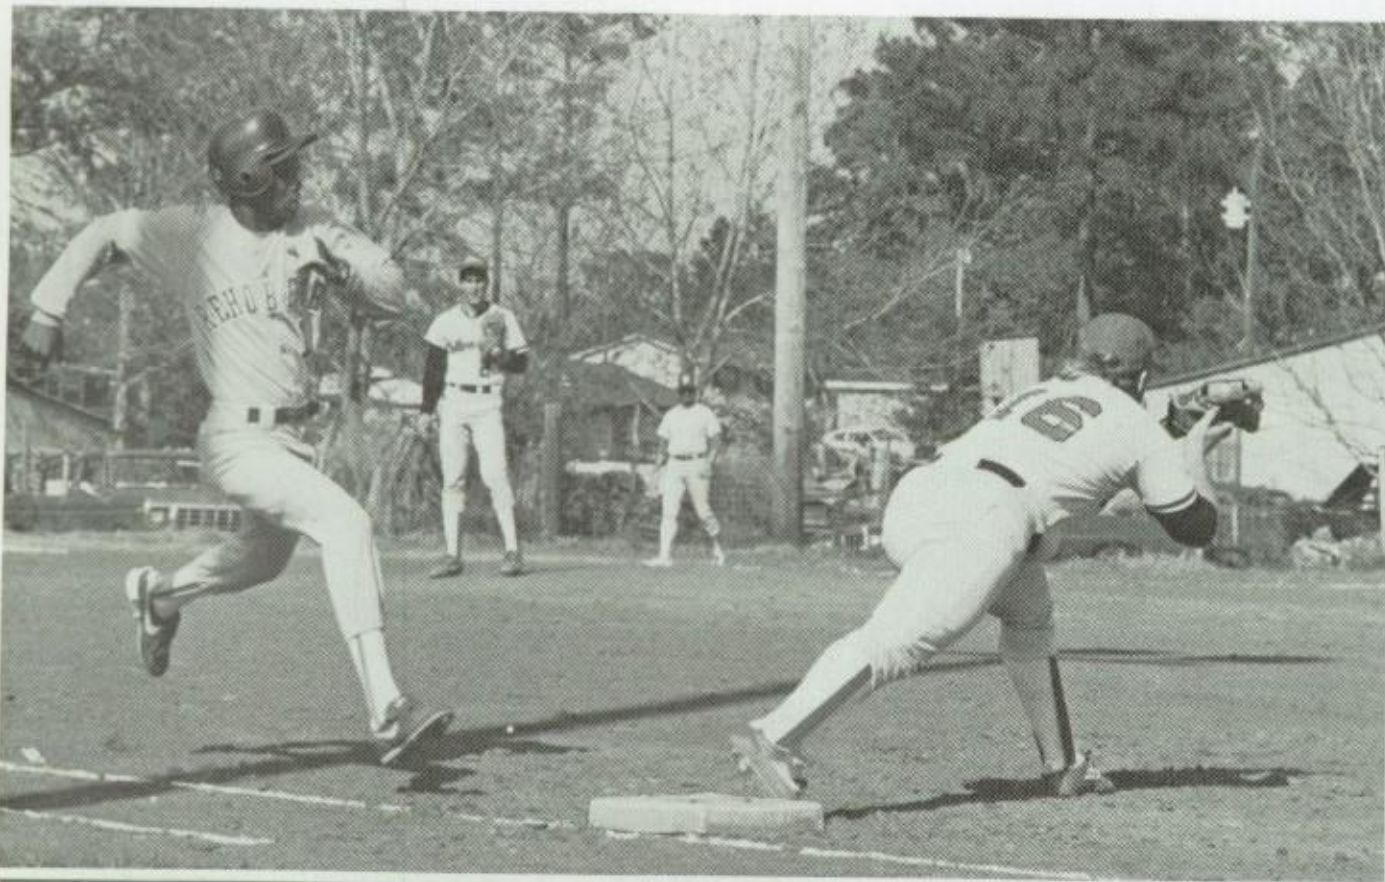

On Tuesday, March 24, the Bears opened their season with a thrashing of the Slocomb Red Tops. And they didn't let up until they swept Red Bay in two games for the championship title. Led by Coach Jim McCain, the Bears have put together one of the most successful baseball teams in the state's history.

# CHS Band . . .

The CHS band has had another successful year under the direction of Mr. Roy Watford. His experienced leadership has encouraged the band to work toward many goals. They have performed at all the 13 football game half-time shows. They were honored by being asked to participate in the Auburn Band Day, the National Peanut Festival, and the Dothan Christmas Parade this year.

Above right: Mr. Roy Watford, Band Director. Above: Band Officers are: Wendy Crum, Flag Captain; Tammy McClenny, Jeff Sanders, Barry Brooks, Section Leaders. Second Row: Julie Smith, Jonathan Coleman, Section Leaders; Jamie Tindell, Drum Major; Jackie Parker, Band Captain; Amanda Ray, Head Majorette.

Becoming the first male drum major at CHS has been a lifelong goal for Jamie Tindell which was fulfilled for the 1987-88 school year. A portion of Jamie's summer was spent at band camp where he learned the routines and responsibilities of a drum major. An eight year band member, Jamie has proven to be a very effective and dedicated drum major. We are all very proud of Jamie!

# Teachers Are People Too

Some students may believe that teachers have no fun or they do nothing interesting. Some of us may be wondering just what they do on their own time. A survey conducted by the yearbook staff revealed many intriguing facts.

A few of our mindshapers of today might just sleep for fun. Most of them like to go to the beach, ride around, eat, travel, party, visit antique shops or go boating. Our teacher's hobbies are traveling, fishing, trying out new recipes, watching baseball, raising horses and mules, crafts, refinishing furniture, and would you believe it gossiping.

Our educated elders also like to eat seafood, pizza, steak, brunswick stew made by the civic club, chips, cheesecake, blueberry pie, lemon pie or anything home made.

A few of our teachers even had problems in high school such as being talkative or having an attitude problem. Some of them were just plain unruly. Did you know that these teachers of ours even chew gum!

Some chew gum only once or twice a year or only when they are on a diet.

When asked why they became teachers the replies were: influenced by family, grew up wanting to be a teacher, because they didn't know any better and still don't know why, or just to buy groceries and pay rent. A few are teachers because they love young people. Some of our teachers had other job choices in mind such as being a cowboy, farmer, welder, mechanic, race car driver, truck driver, a bum or catering. We even had a couple of almost doctors, accountants, advertising agents, a concert pianist, and maybe even a Rona Barrett or two.

Favorite TV shows of our faculty are: Wheel of Fortune, Jeopardy, Cagney and Lacey, Growing Pains, Family Ties, Knots Landing and College Sports.

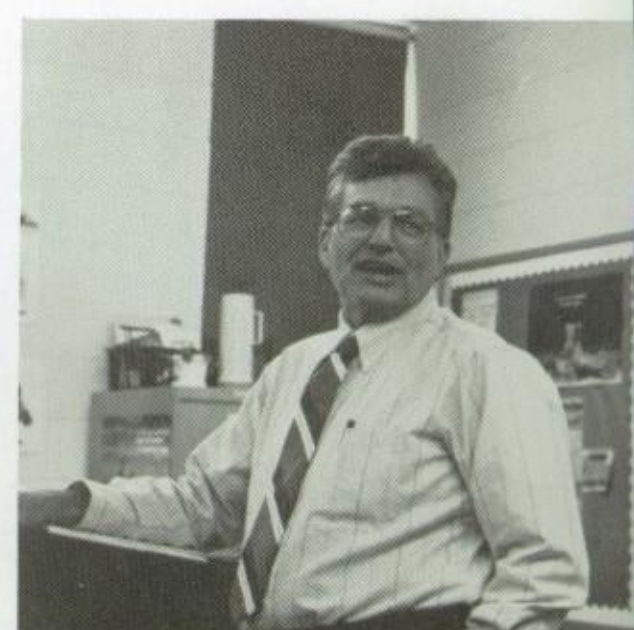

These same teachers we see every day in dress pants, skirts, and suits even wear blue jeans. One loves anything in denim. These teachers are often late for certain events such as Sun-

day School, school and other meetings. But some say they are never late for anything.

These exciting teachers of ours also have dislikes which are: ignorance, apathy, people who lack class, rude people bickering among people, people who do not live up to their promises, smart mouth students, hypocrisy, people who are not considerate of others and Auburn.

Through this survey conducted by the yearbook staff we have discovered that teachers and students have similar likes and dislikes. Disclosed to us were their ways to have fun, ways to spend spare time, favorite TV shows, foods and hobbies. This survey also uncovered why teachers became teachers and what they would be if they were not teaching. We have concluded that **TEACHERS ARE PEOPLE TOO!**

# CARING AND SHARING

**Junior Class Officers**

Serving as class officers for 1987-88 are from left to right Sec. Holli Wells, Pres. Angel Womack, and Vice Pres. Kim Long.

As juniors, we have experienced eleven years of school spirit, laughter, and sadness. We have shared the excitement of winning football and baseball championships. At other times, we have experienced together the disappointment of a championship just beyond our grasp. We have found it possible to look at our own mistakes and laugh, knowing that this is part of growing up, and have shed tears together at the loss of dear friends.

One more year together and the good times of high school will be over. So the special memories we make this year will add to the ones we already have of going to the football games and to Burger King to meet our friends on the weekends. We hope our last year together at CHS will be the best year ever!.

## 10th Grade

We, the sophomore class, intend to **ROCK TO THE TOP**. We know our determination and dedication will get us there. We have big dreams and high goals and we're going to take the senior high by storm. The sophomores are united and ready for all the challenges that lie ahead. We look forward to our class trip to Six Flags with eagerness and anticipation. We realize that it will take a lot of hard work and commitment to reach our goals. But we know we're going to mix a lot of good times and laughter with it as we make lasting memories.

# Freshman: taking their dreams

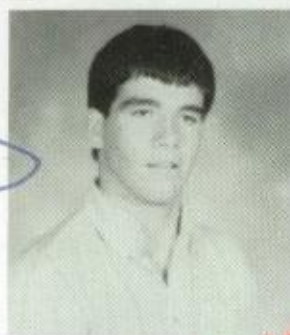

Freshman ... a brilliant word to use when you describe the ninth grade at CHS because they are exactly that, fresh faces in senior high activities. The future class of '91 is working extra hard to carry their well-deserved title. Being able to participate in many new clubs and activities has, in a certain way, brought them all closer together. Right: Class officers are President, Tammy Moore; Vice President, Jon Howard; Sect./Treas., Becky Henry.

These Freshmen have only three more years until graduation and finally, they will realize that the long classes and hard work will finally be worth it all. They are growing up and are facing many important decisions they will need to make — decisions that will affect them the rest of their lives. But not only will these decisions affect them, it will also affect other individuals they will come to meet as time passes. It is a hectic life they lead with all the mountain climbing, river crossing, and rainbow catching, but these Freshmen can truly say, "We have it all!"

# STANDING THE 8th GRADE WAY

The eighth graders are more than ready to meet the challenge of this school year. This, their second year of junior high school, will be filled with more intensifying experiences. This class knows the pressures of high school and each day there seems to be more added responsibilities. Whether they realize it or not, they are paving the road to their future. The effort and hard work put forth this year will one day pay off.

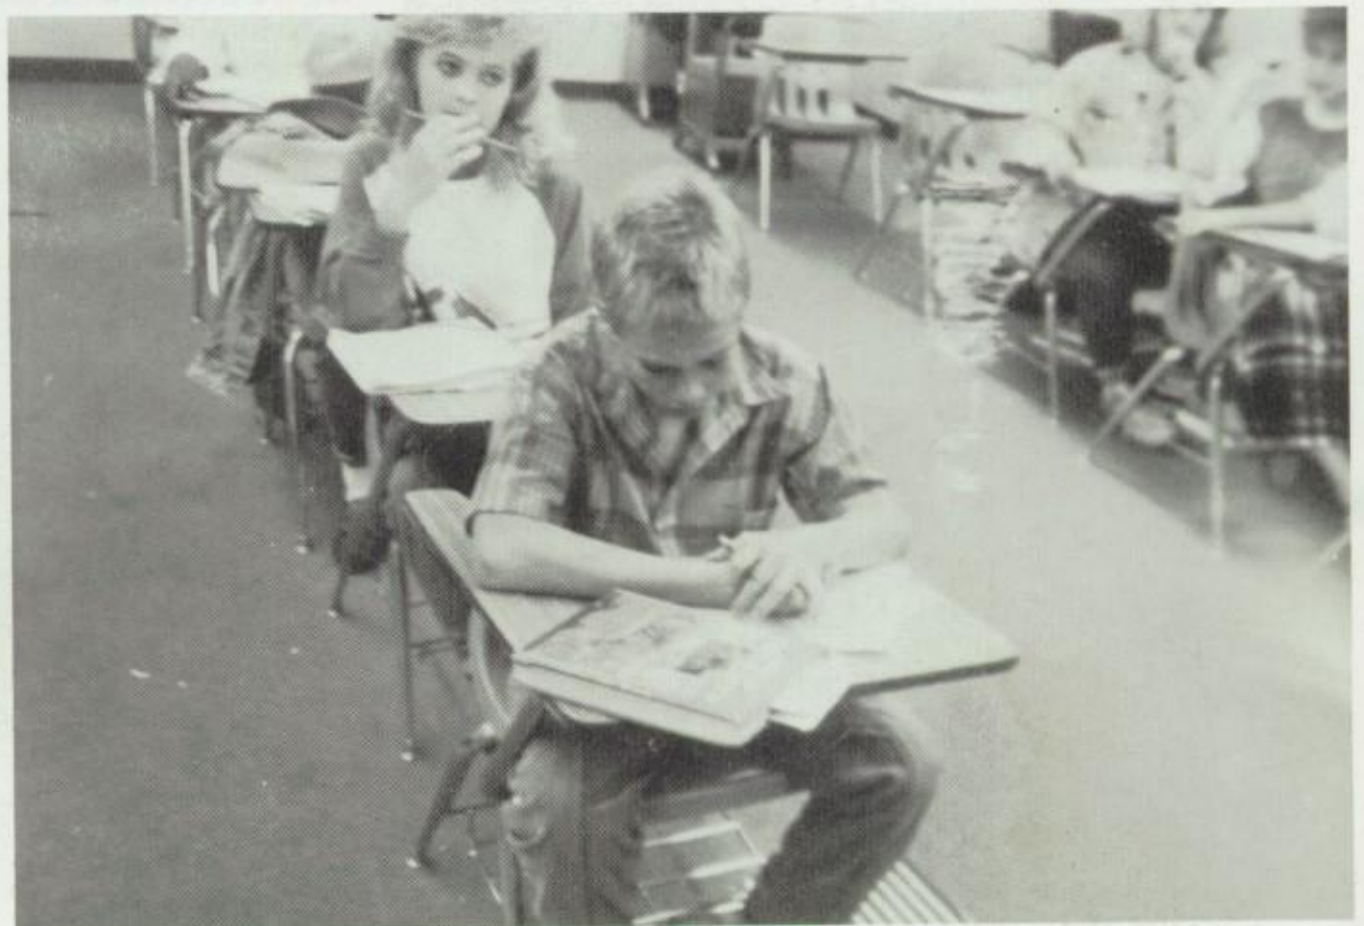

The key for this year is building their character and achieving knowledge. The character developed will play a major role in the years to come and have an influence on who will be the leaders of tomorrow. It's a long road but one which is not impossible.

— Tony Phillips.

Friends will stick together at recess. Eric, Reginald, Ronnie: Cool, Sophisticated, and out of sight.

# 7th GRADERS: CHANGES

## The Road to Responsibility

Along with the excitement of entering junior high school, there comes many changes for seventh graders such as attending pep rallies and assemblies, electing class officers, and having better choices of food at lunch. However, going to six different classes each day is no doubt the biggest change of all for these newcomers to high school. But we have confidence and know that through these changes they will become even more responsible and always come out on top.

# THE NEW KIDS

Yes, you can easily distinguish them from anyone else. They rush breathlessly from class to class, under a load of books or a cumbersome book bag. You can see the excitement and anticipation on their faces that comes from knowing they have finally escaped elementary school and entered junior high school.

Junior High School brings many new experiences. Meeting new people and making lasting friendships are two very important factors involved in the move up from elementary school. However judging from the friendly and outgoing nature of this class, very soon they will no longer be "the new kids on the block."

One day the seventh graders will be the leaders of Cottonwood High School. We have high hopes of holding the position of class officers, cheerleaders, band members, as well as being involved in athletics. But right now, we can always hold on to the memories and friendships made in the past and look forward to those yet to come.

# ELEMENTARY STUDENTS

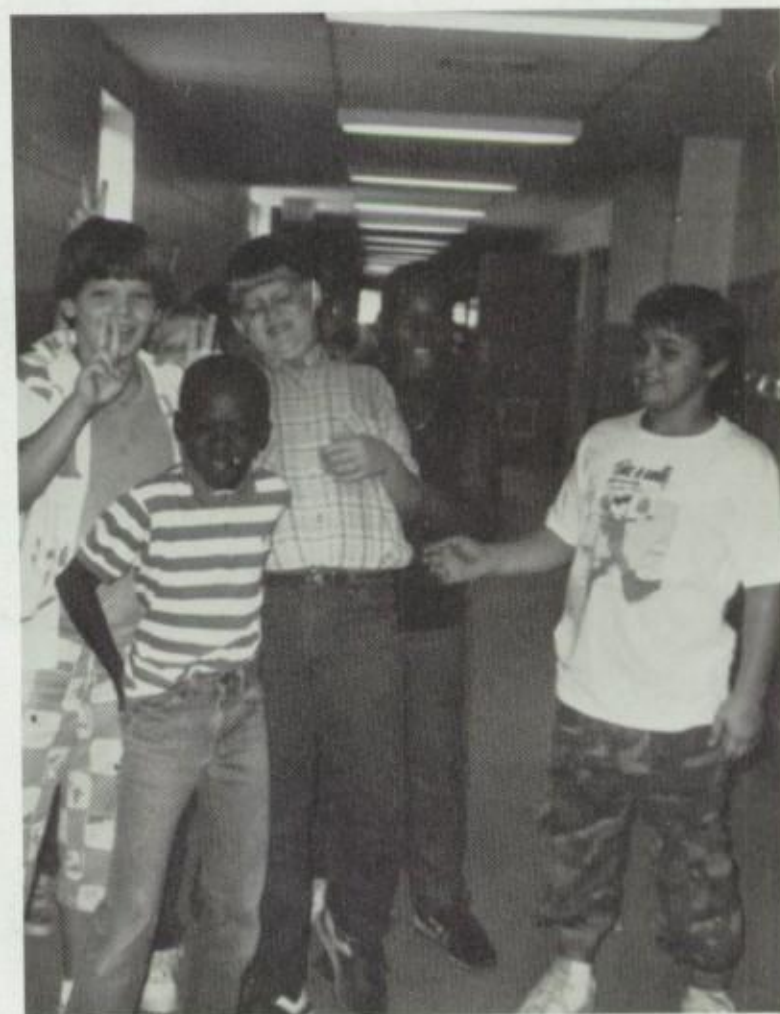

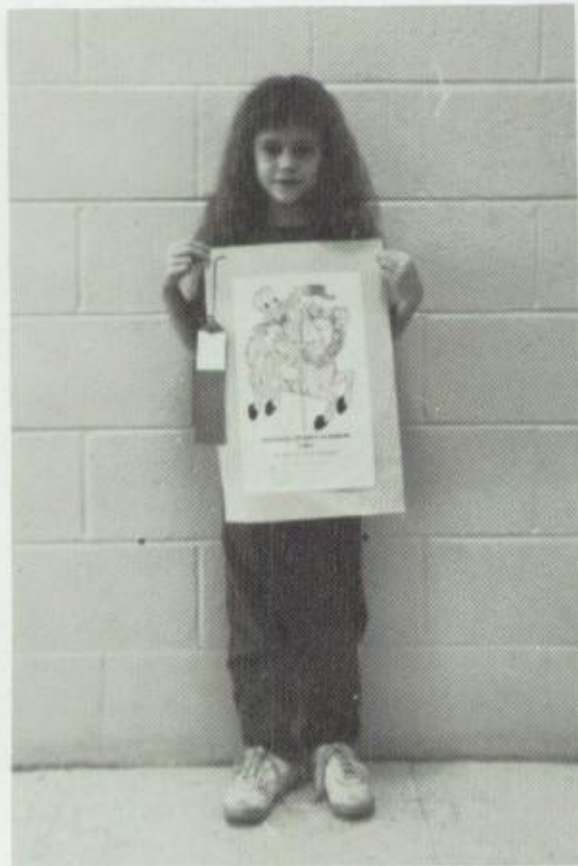

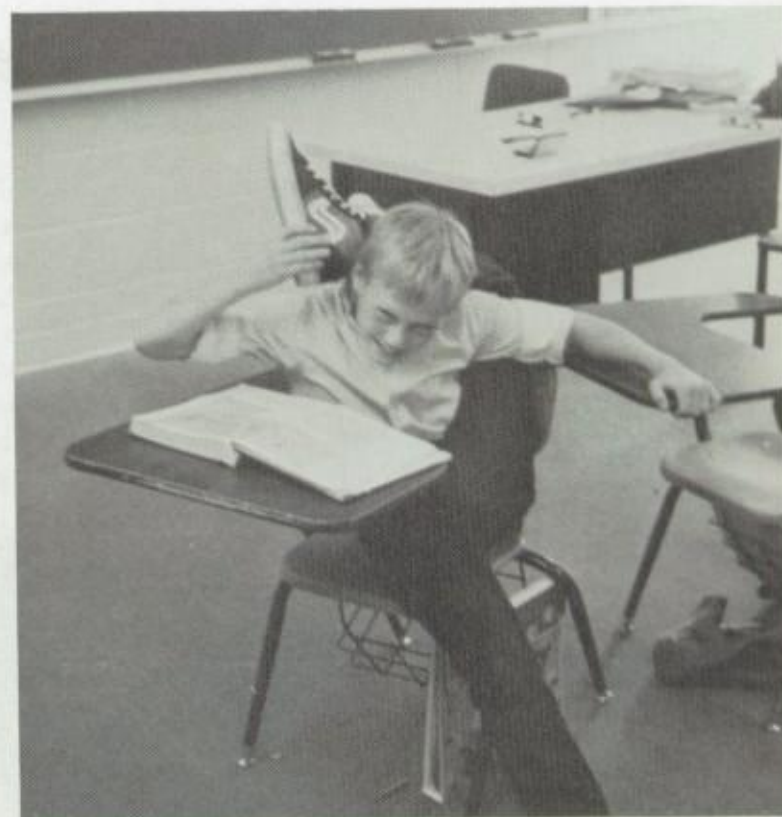

Who are our leaders and our hope for the future? Elementary students!!! Although they are still finger painting and making pine cones into turkeys, all of this is some how leading them to a choice of a career in several years. Their teachers here at CHS are installing in them not only the basics in reading, writing, and arithmetic, but also moral principles, the importance of our countries freedom, and a sense of friendship and pride. These elementary students are not only having fun while learning, but are contributing to the history of dear ole' CHS.

With many things to do we are well on our way to bigger and better things. We are being faced with many things that will prepare us for what lies just ahead — junior high. This year will mean more difficult work and even lessons in maturity but we proudly accept the challenge.

We are starting to set our own pace and even make some of our own decisions. We are growing up quickly, but this doesn't mean we will not need guidance as we take on new experiences. At the end of this year we can honestly say that we've earned the right to move up into junior high.

— Angel Womack

Above right: This class has nothing but work on their minds. Below: Future CHS football players.

Right middle: Michelle, Annie, Krystal and Kellie enjoy their recess break. Right top: Pepsi and Mark — a great combination. Far right: Recess time is fun time for these boys.

This year our fifth graders seem to realize that moving from the fourth to fifth grade has placed upon them further trials and tribulations. Along with the added responsibilities placed upon each and every one, they must also realize the decisions they are making this year will play a large role in the years to come.

As students progress each year to a new grade a little more work is required. Fifth grade is a fine example for such a statement. With the newer, more advanced books received from the Houston County Board of Education, further exploration in math, science, and health can be achieved.

With the abundance of homework and studying, much of their time is accounted for. But fifth grade is not all work and no play. With such extra-curricular activities as band, peewee football and cheerleading, many fun-filled moments are had by almost everyone. I feel with the potential these fifth graders have, any task they might face they will conquer.

# FOURTH GRADERS ARE THE BEST!

This year the fourth grade is divided into two classes. The teachers are Mr. George Gillis and Mrs. Sharon Stone. The fourth graders have been studying science and Alabama History, which includes viewing several movies and filmstrips. They now have a new course which is art/music time. They have been working hard on their studies, but have taken time for a little enjoyment. A couple of their fun times this year consisted of making French toast and doing pottery. Some of their social activities include peewee football, cheerleading and mini majorettes. With all of their new adjustments the fourth graders are truly giving it their best shot.

### THIRD GRADE: INTRODUCTION TO MODERN TECHNOLOGY

The third grade has experienced many new and different things through the course of this school year. Some experiences include the use of hi-tech equipment such as the well-known Apple Computer. This brings excitement to their otherwise routine and extended day. They were educated in it's operation and content by Mrs. Mixon and Mrs. Crawford. On the other side, they studied about native American Indians and did several projects displaying their creativity and enthusiasm. These projects were admirably done through timeless hard work and great imagination. To these third graders, the annual staff sends a hearty salute and wishes you the best of luck.

# STANDING TALL

Think big and stand tall; we're second graders now! There's much to learn and experience each day. We keep our eyes and ears open so we won't miss a thing.

Our classrooms are beautiful with new carpet and the pictures and posters we've made. We like to show what we're studying in science, health, and social studies by displaying our

art work. We love having our own classroom computer this year. We hope to improve our computerese!

We come to school each morning with excitement. Our goal is to learn at least one new thing to be stored into our pool of knowledge and experience; a pool that is growing rapidly as we stand tall and think big!

# NEW ADVENTURE

These first graders are embarking on a new adventure that will consume twelve years of their life. For some it will be a struggle, but for all it will be a journey filled with friendship and achievement. Memories and friends will be made that will last forever.

As times passes by these first graders will work as one. With many opportunities facing them they can't afford not to be totally involved in the building of character and developing a desire for learning. Time will pass quickly. Soon the choice will be not "What's for recess?" but "What college should I attend?" We here at CHS wish these first graders the best of luck as they begin their journey.

# Kindergarten . . .

## = THE NEW GENERATION =

Kindergarten . . . to many this is the most exciting time of our young lives. Making the move to school takes loads of courage, but we've all found that a few buddies and friendly teachers make the adjustment a little easier.

The enjoyments and fun time we've found at school are unparalleled. Our favorite moments have to be play time and art when we finger paint one another rather than paper.

As we look back we're glad that we had taken time out to learn reading, writing, and other alphabet. These skills give to us during our kindergarten year will be with us for the rest of our life.

# THE REVIEW

# CHS STUDENTS

**FRIENDS FOREVER !!!** Top left: Wes and Bess — friends forever! Top right: Sonja and Rosaland are friends forever! Middle left: Todd and Sean are friends forever! Center: Randy "Hood" — our friend and protector forever! Middle right: Coach Nelson is our friend forever! Bottom left: John Clayton is our future friend forever! Bottom right: Eddie and Charles are friends forever! (All captions by Bucky Fowler and Sean Varnum — everyone's friends forever!)

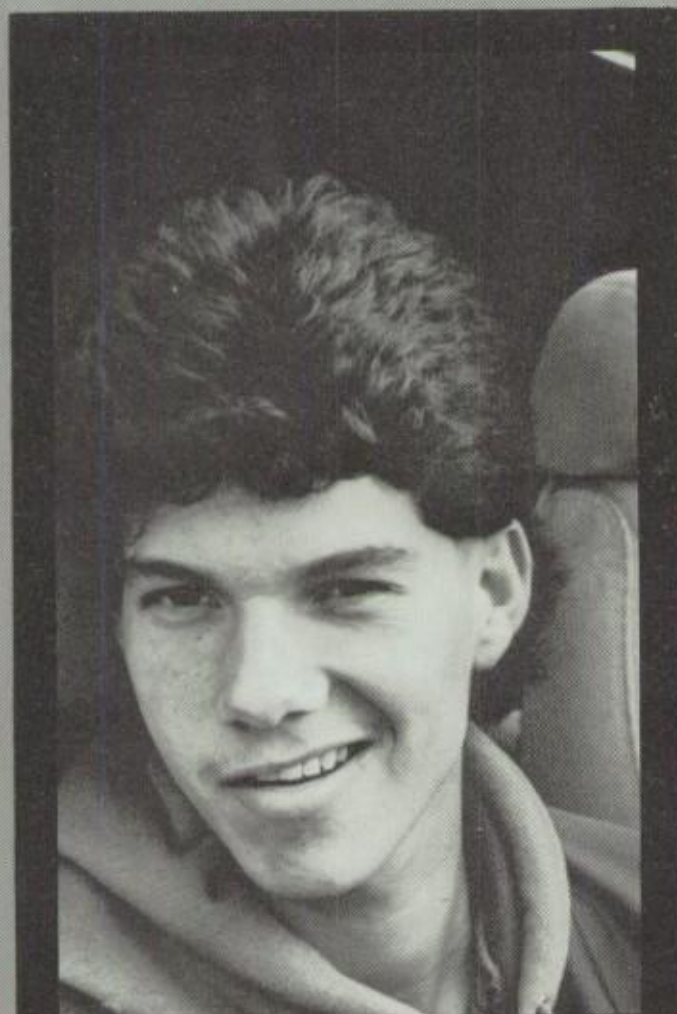

# STAND OUT !

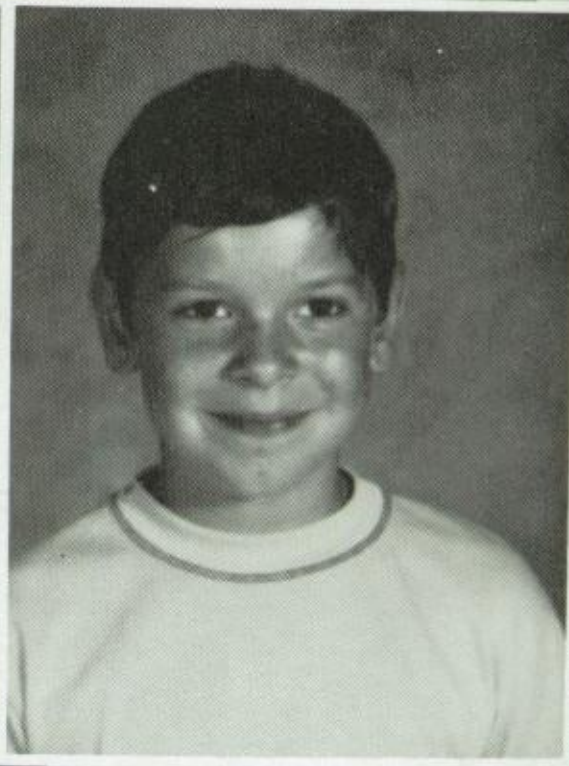

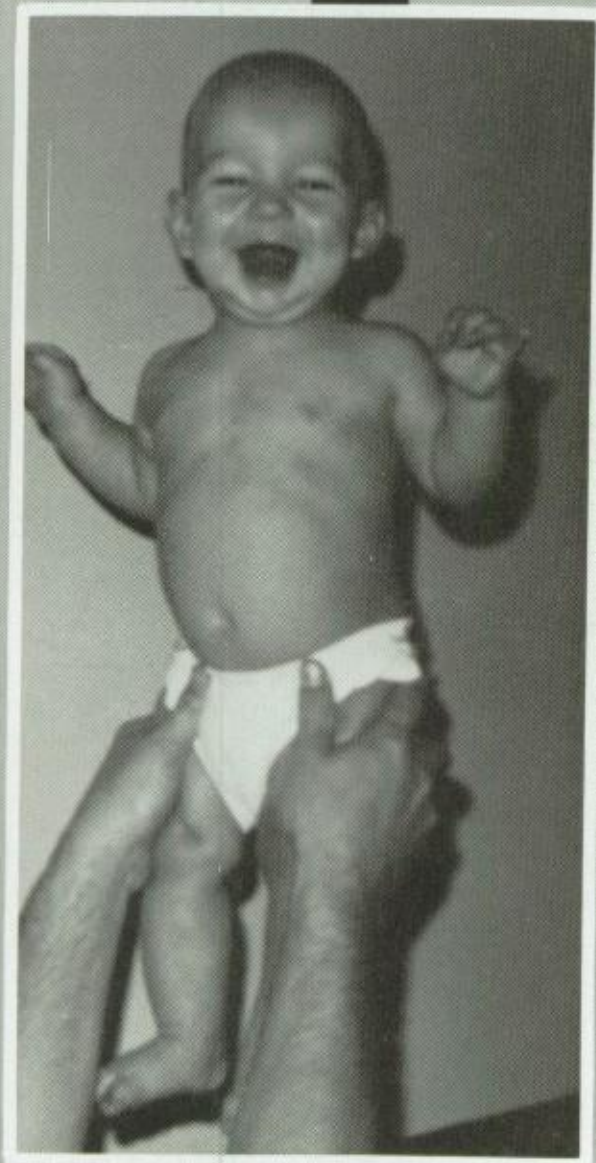

Top left: Stick 'em up! You're under arrest! Upper middle left: You've got the look. Lower middle left: Look!!! It's a "peeping Tammy." Center: Let's go close-up with Stacy McCardle. Middle right: Scott Withrow and Tim Love, haven't you got anything better to do? Bottom left: Robert Sowell is helping Angel Womack fulfill her dream of becoming the first female Santa Claus. Bottom right: Charles Allsup, this isn't Central Park, you bum!

# REMEMBER

Top right: Ben (left) and Matt (right) Mercer before they ate their Wheaties. Above left: Ron Herring — from diaper to diploma. Center: Hey, Kevin Meadows, the ride looks to be over. Bottom right: Mrs. Taylor, you have just got to tell us who does your hair. (All photos — except Mrs. Taylor's — were submitted by family members.)

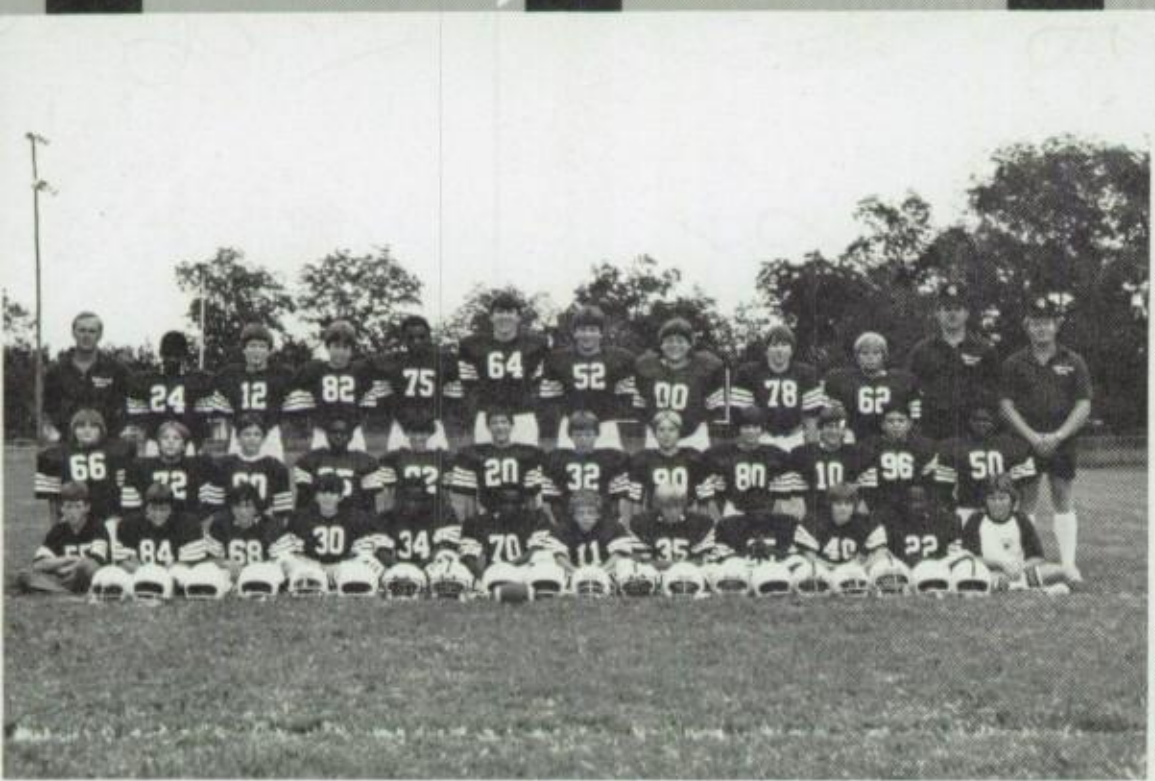

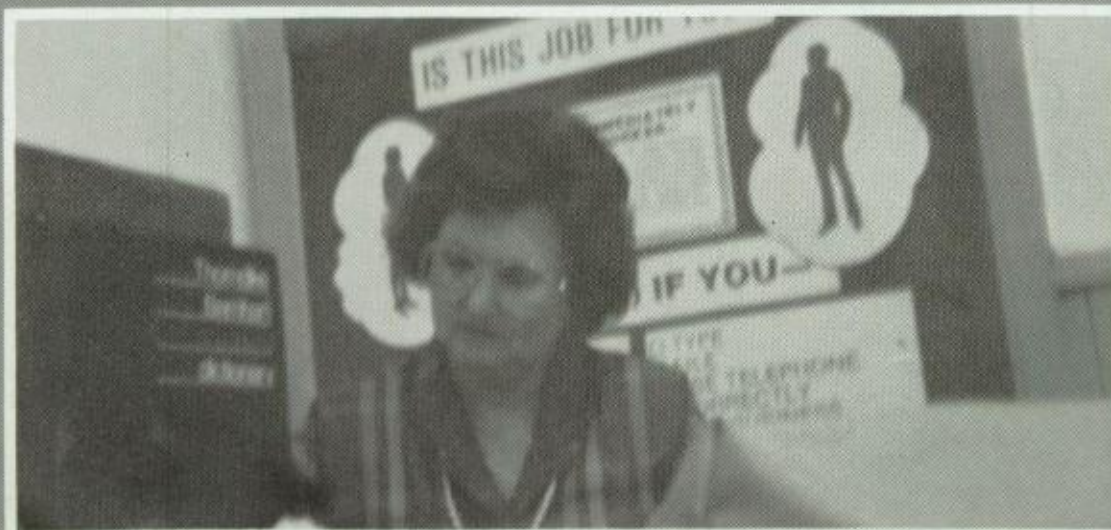

# WHEN . . .

Top left: Michelle Streety is "just a swangin." Center: Celena Tipton says, "Woody Woodpecker eat your heart out." Below right: I bet these two girls never dreamed of becoming Miss CHS or Miss Cottonwood (Carla Halstead left and Denise Efurd right). Bottom left: 1982 undefeated "A" team Pee-Wee Confederation Champions — this picture is dedicated to the memory of Todd Snellgrove by the Class of '88.

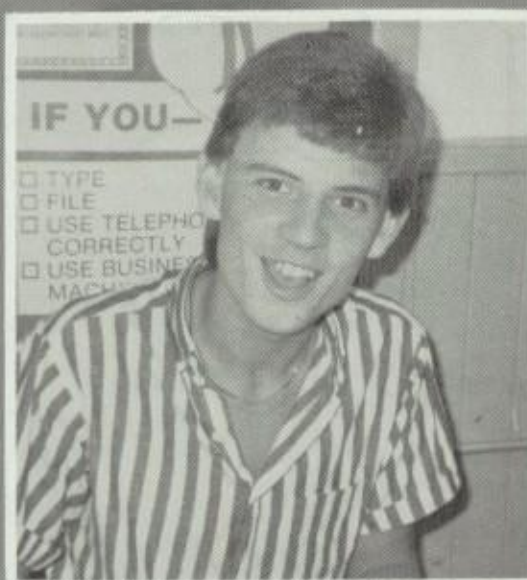

This year CHS has formed its biggest yearbook staff ever. The staff, consisting of 21 juniors and seniors, is sponsored by Mrs. Jo-Anne Smith. The staff also has had added to its schedule a class designed specially for yearbook, Business English. Having this addition has helped minimize out of class work, and helped each member to meet their deadlines.

Staff members and assignments: Carla Halstead; Co-Editor; Opening, Student Life, Closing. Shaylee Whitehead; Co-Editor-/Bus. Man.; Seniors, Closing. Denise Efurd; Sports. Kim Long; Opening, Clubs, 7th grade. Tammy Garner; Administration, 9th grade.

Thank for  
begin a friend

jammy  
do one of the wildest people  
I have ever met in my life  
We've had a good year this time  
A LOT better than the last, I  
hope next year is even better.  
Stay sweet and keep those blue  
eyes working on those beautiful  
guys. See ya next year!

Love alots,

Tammy,  
 So a real great  
 friend. I'm glad I came to  
 C & S or else I would've never  
 met ya! Remember me when I'm in  
 Dothan next year. I hope we can  
 become even better friends in  
 the future! 691-2898. Stay in touch!  
 Good luck with  
 the guys (E.g.)  
 Cylas,  
 Bri Jackson

Pumpkin I think the years almost over  
 and it feels like the beginning. At least  
 I wish it was the beginning because  
 I would like to have all the fun we've  
 had together over again, you know like  
 the Baseball game. But I want you to  
 know I love you for your help like  
 finding me a way home after the Baseball  
 game and all the other things. See you  
 next year and hopefully of the summer

Love Jonathan

Daddy, to a  
 very crazy, but nice (S.H.)  
 young lady. I have enjoyed every  
 year just being your friend, &  
 hope that we continue on to be friends  
 well this is about it, the year is almost  
 over, next year we will be even more  
 grown-up than this year. I hope that  
 doesn't change anything. Love C.G.

THANK YOU

Love!  
 you know who

Love  
 you know who

Jammy,  
 Well, this year  
 really has flown by. But I'm  
 so glad that me & you & Jammy have  
 gotten to be so close. So over the  
 summer we all will have to  
 get together and SIKE some more  
 Ashford guys out! ~~again~~ yes, we all  
 are aware of those striped, but  
 fun AHS guys. And we both know  
 from our past experiences that some  
 are just no good. So we will have  
 to expand our horizons and  
 go for those Northview Guys!  
YEA! So I'll call ya!  
 and you better call me!  
 Love ya!

I hope you have a great  
 summer! And please  
 take care of yourself!

Tammy,  
 I'm a wild  
 and crazy person  
 who has enjoyed being  
 friends with and one  
 of my miss but  
 I'll miss you

Tammy,  
 To one of the  
 Crazy people in my  
 life! Well I have  
 no idea what to  
 say so I will say  
 what I always  
 say!

Tammy,  
 Howdy! Howdy!  
 So how has your freshman  
 year been. Don't forget me and  
 I won't forget you. It's been fun

Tammy,  
 I love you well I am so bored here!  
 I'm glad we are friends. You are a  
 very sweet person and I hope you  
 stay that way. I'm glad we're  
 dear friends. Stay in touch. RMA!  
 Love, Cindy

Tammy,  
 Thanks for being a  
 good friend this year. I  
 hope one day you're life  
 will be as good as you  
 are. And as far as J.  
 he doesn't deserve you.  
 Hope you have one  
 summer you'll never  
 forget

mommy.  
Hey Girl! Well,  
this year has flew by  
fast. I am glad to say that we  
have come such close friends at  
the end. Hopefully we will stay  
this close always. even if you  
are in ~~harvard~~. What I am trying  
to say is that you better  
write me while you are  
gone away.

Don't forget us other two dammys  
while you are away either. Be  
sweet a careful. Me and dammy  
will be waiting for you so  
you can party with us.  
Be sweet. Remember me always.  
Love ya.

#1 Maigrette  
the best!

Daddy,  
 Hey! well what can I  
 say it's me (Kelli)! I've really  
 enjoyed laughing, skipping & just having  
 a real good time together! Just be good  
 & (PLEASE) don't get into any trouble!  
 Love ya!  
 Kelli

To a very sweet & loving person, who was great  
 at math. Best wishes always  
 Love Jody

Daddy,  
 You've got to be the  
 coolest chic I know.  
 Don't ever change, because  
 you're great just like you are  
 you can't get any better. Stay  
 out of trouble over the summer  
 good luck with the guys.  
 Love ya,  
 Kathy

Daddy,  
 Hey. What can I  
 say but you are a  
 totally wild chic.

hmm! It's  
been really  
great year and even  
though we had our  
good times and had our  
we're still friends. We have  
enjoyed talking with you about  
different guys and other good stuff  
the sort of week over the summer. Have  
fun in Kansas.

Best Wishes,  
R.M.A. "91" Shannon

Sammy,

Thank you for reserving a place in your yearbook  
for me. This year has totally flown by and I'm going to  
miss you next year. I've heard you're going to Kansas  
over the summer. Before you leave, try to come see me!  
Do you remember about the "lollipop"? Well..... Anyway,  
I hope you are just going to Kansas for the summer.  
Take care of yourself and call me sometime (677-3823) or  
come <sup>SEE ME!</sup> (or you can just come!) HA! HA! R.M.A. Love Always,  
SR's 88! Jackie

Tammy,

Well, It's hard to believe, huh?  
The year is just about over. Seems  
like just yesterday we were checking  
to see if we had the same schedule.  
I'm really glad that we are such  
good friends. We've been friends for  
a long time now, and much longer  
I hope. We've had some good times  
and we've had some very good times.  
Seeing all those fine guys just brings  
us closer I guess. Well, I'm going  
to miss ya a lot when you go  
to Kansas this summer, but well,  
keep in touch, Right? And every  
time you see a fine guy think of  
me! But. . . Before you ~~go~~<sup>(oops!)</sup>  
leave, we are going to go out  
and pa-e All night long. We'll  
raise. . . the roof yeah! That's  
it we'll raise the roof. Well, just  
stay Kool ALWAYS! Never turn  
Nerdy (like some folks we know who  
shall remain nameless) And most  
importantly party as much  
as possible. (I know I will!) Well,  
keep in touch over the summer  
while you're in Kansas and NEVER

Forget me. No matter what! Well, I  
guess that's it for now. *ahhh!*

Love ya,  
Amy Deshea

Tanning.

Tommy,  
Well its almost time for us to get the — out of  
here. We enjoyed you spending time with us at  
lunch, you help the food go down a little easier. Da!  
You a very special young lady and we glad to  
call myself your friend. Stay sweet & stay in touch.  
Love.

Love.

any, I  
guess what! I'm glad  
it's over, as you  
know almost final  
as I hope that part.  
if you were as you and any  
they don't need from  
on the coal you and any  
ship and all need help;  
oil. (Hah!) catch you
